Candace Saunders
2639 14th Ave NW
Olympia, WA 98502

Dear Candace,

A# A00116069

Congratulations! It is my pleasure to inform you that you have been selected as the recipient of the 2017-2019 Sara Ann Bilezikian Fellowship by the Graduate Program on the Environment at The Evergreen State College. The amount of this award is \$8493 for two years. The award will be credited to your student account in three installments each equal to a third of this amount for Fall, Winter and Spring Quarters 2017-2018 and 2018-2019 as long as you are enrolled as an MES student.

This award reflects the judgment of the selection committee that you have demonstrated an exceptionally strong commitment to environmental improvement and social justice. Sara Ann Bilezikian, who graduated from Evergreen in 2001, had similar interests, and we feel confident that your passions and academic achievement in this area will be a suitable way to honor Sara's memory.

In addition to this award, be sure to check your financial aid offer from the Financial Aid office – you may also have received a loan offer and/or Evergreen Need Grant (residents only) if you submitted your FAFSA.

Please note that adjustments to your aid are likely to occur if there are changes to your status, such as changes to enrollment status, number of credit hours, residency status, etc. In addition, increased personal resources may result in decreases to other financial aid awards including possible repayment for financial aid you have already received, including loan proceeds.

In order to accept this award, please email Andrea Martin at martina@evergreen.edu indicating your acceptance by May 5, 2017. Also, if you haven't done so already, please remember to pay your tuition deposit by this date.

If you have any questions about this award, please contact the MES office at 360-867-6225.

If you have any questions about loans or the Evergreen Need Grant, please contact Financial Aid at 360-867-6205.

Sincerely,

Kevin Francis, Ph.D.
Director, Graduate Program on the Environment
