Dear Erin,

Congratulations! It is my pleasure to inform you that you have been selected to receive the MES Scholarship from the Graduate Program on the Environment at The Evergreen State College in the amount of \$1,800.

This award is a non-renewable scholarship for the Spring 2022 quarter. The amount will be credited to your student account in one instalment for Spring Quarter as long as you are registered for at least four MES credits.

Please note that adjustments to your aid are likely to occur if there are changes to your status, such as changes to enrollment status, number of credit hours, residency status, etc. In addition, increased personal resources may result in decreases to other financial aid awards including possible repayment for financial aid you have already received, including loan proceeds.

If you have any questions about this award, please contact the MES office at [averi.a.azar@evergreen.edu](mailto:averi.a.azar@evergreen.edu) or 360 742-8746.

Sincerely,

Kevin Francis
