Dear Serena,

Congratulations! Based on your academic merit and your MES Scholarship Application, it is my pleasure to inform you that you have been selected to receive the Emory Pyle Scholarship from the Graduate Program on the Environment at The Evergreen State College in the amount of \$500.

This award is a non-renewable scholarship for the 2022-2023 academic year. The amount will be credited to your student account in three instalments equal to a third of this amount for Fall, Winter and Spring Quarters as long as you are registered for at least eight MES credits per quarter.

Please note that adjustments to your aid are likely to occur if there are changes to your status, such as changes to enrollment status, number of credit hours, residency status, etc. In addition, increased personal resources may result in decreases to other financial aid awards including possible repayment for financial aid you have already received, including loan proceeds.

In addition to this award, be sure to check your financial aid offer from the Financial Aid office– you may also have received additional need-based waivers, a loan offer, and/or Evergreen Need Grant if you submitted your FAFSA.

In order to accept this award, please email Averil Azar at averil.a.azar@evergreen.edu indicating your acceptance by May 1st, 2022

If you have any questions about this award, please contact the MES office at averil.a.azar@evergreen.edu or 360 742-8746.

Sincerely,

Kevin Francis
