Dear Madeline,

Congratulations! It is my pleasure to inform you that you have been selected to receive a Graduate Fellowship Trust Scholarship from the Graduate Program on the Environment at The Evergreen State College for the 2023-2024 academic year in the amount of \$1,303.75.

This award is a non-renewable scholarship. The amount will be credited to your student account in three installments equal to a third of this amount for Fall, Winter and Spring Quarters as long as you are registered for at least eight MES credits per quarter.

In addition to this award, be sure to check your financial aid offer from the Financial Aid office - you may also have received a loan offer, tuition waiver or Evergreen Need Grant (residents only) if you submitted your FAFSA. If you didn't fill out the FAFSA, you can do so at any time to receive \$20,500+ in loans.

Please note that adjustments to your aid are likely to occur if there are changes to your status, such as changes to enrollment status, number of credit hours, residency status, etc. In addition, increased personal resources may result in decreases to other financial aid awards including possible repayment for financial aid you have already received, including loan proceeds. If you have any questions about this award, please contact the MES office at averi.a.azar@evergreen.edu.

In order to accept this award, please login to your scholarship application portal in AwardSpring to accept the terms of the award by June 1st, 2023.

Sincerely,
Kevin Francis
