Dear Sabrina,

Congratulations! Based on your documented service as an AmeriCorps member, it is my pleasure to inform you that you have been selected to receive an MES AmeriCorps Service Award from the Graduate Program on the Environment at The Evergreen State College in the amount of \$1,800. This is partial waiver of your tuition for the 2025-2026 academic year. The waiver will be credited to your student account in three installments each equal to a third of this amount for Fall, Winter and Spring Quarters 2025-2026 as long as you meet MES financial aid criteria as described below.

- In order to be eligible to receive these funds, MES students must register for a minimum of eight credits per quarter and must successfully earn at least eight credits per quarter.
- Failure to enroll for at least two credits by the fifth day of each quarter listed above will result in forfeiture of the waiver.
- Your award cannot exceed the cost of tuition. If it does exceed tuition, you will not receive the difference in a disbursement check.

In addition to this award, be sure to check your financial aid offer from the Financial Aid office- you may also have received additional need-based waivers, a loan offer, and/or Evergreen Need Grant if you submitted your FAFSA.

Please note that adjustments to your aid are likely to occur if there are changes to your status, such as changes to enrollment status, number of credit hours, residency status, etc. In addition, increased personal resources may result in decreases to other financial aid awards including possible repayment for financial aid you have already received, including loan proceeds.

In order to accept this award, please login to your scholarship application portal in AwardSpring to accept the terms of the award by June 1st, 2025. If you have any questions about this award, please contact the MES office at averi.a.azar@evergreen.edu or 360 742-8746.

Sincerely,
Carri LeRoy
