RECIPIENTS MUST CONFIRMED ELIGIBILITY EACH QUARTER

I. BENEFITS AND LIMITATIONS

Under the authority of RCW 28B.15.915 a limited number of undergraduate and graduate 50% operating fee tuition waivers are available to eligible Evergreen, Washington State, and public K-12 degree-seeking employees who have been admitted to the college. However, pursuant to RCW, building fee and services & activities (S&A) fee parts of tuition are charged according to the tuition schedule. The Wellness fee will be waived for students using this waiver, (as will the Transit and Late Night bus fees if they are re-instated). Because the number of available waivers is limited, eligibility does not guarantee award of this waiver.

Students attending under this waiver are degree-seeking students and are eligible for priority registration. They may take courses, programs, contracts, internships, or theses; and they may enroll for a part-time or full-time credit load. They are eligible to receive a student ID/sticker.

II. EXCLUSIONS

Tuition waivers cannot be used for self-supporting courses (including Summer quarter). This tuition waiver is available during the fall, winter, and spring quarters.

III. CONTINUING ELIGIBILITY

The waiver, once awarded, remains with the recipient, if the student meets the following conditions:

- maintains satisfactory academic progress;
- continues to be an eligible permanent employee, to be verified quarterly prior to registration;
- and maintains enrollment during the regular academic year (fall, winter, and spring) towards degree attainment. Summer quarter enrollment is optional.

I have read the guidelines above and understand the limitations and benefits of this waiver.
