

## **Cargill Sustainability Fellowship MES Application**

**Eligible Applicants:** Enrolled graduate students at The Evergreen State College

**When:** Spring Quarter 2011

**Stipend:** \$4,000 per fellowship

**Application Due:** February 28, 2011

### **Details:**

The Cargill Sustainability Fellowship supports Evergreen graduate students who are interested in environmental sustainability issues. Students who want to assist with a sustainability project or research are encouraged to apply. A research-oriented project must include a service or work component that will improve environmental sustainability efforts either on- or off-campus. Each fellow will receive \$4000 to be used towards tuition and a stipend. This award is given as a one-time grant of \$4000 that is disbursed through financial aid in Spring 2011. For on-campus projects, please consult the Office of Sustainability regarding possible projects.

In order to receive the stipend, the student must enroll in 4 internship or 4 thesis credits in Spring 2011. The internship contract must include approval from the MES Program Director, a faculty advisor, and a field supervisor. If awarded for thesis work, project must be approved by reader.

The chosen fellow will be required to submit a poster or paper and give a presentation at the end of the quarter.

### **Apply Now:**

To apply, please submit the following to the Cargill Fellowship (MES) Search Committee. All applications must be received by February 28, 2011 in the MES office: Lab 1, Room 3022. Applications may also be emailed to [wootang@evergreen.edu](mailto:wootang@evergreen.edu).

1. A letter outlining your interest in a specific project that complements or supports an environmental sustainability effort.
2. A resume
