Website: <http://www.livingeconomies.org/fellowship>

Due: Typically in October

Amount: two years of funding and training

For:

The Bullitt Environmental Fellowship

Website: www.bullitt.org

Due: Typically in April

Amount: two-year, \$50,000/year

For: Graduate students interested in pursuing leadership positions within the environmental field.

Coalition for a Livable Future Equity Fellowship

Website: <http://www.cnrg-portland.org/node/27397> or contact Kris Smock:
kris@kristinasmockconsulting.com

Due: Typically in May

Amount:

For: assist with analyzing maps and conducting basic statistical analysis of the raw data

Coastal Management Fellowship

Website: <http://www.csc.noaa.gov/cms/fellows.html>

Due: Typically in January

Amount: 2 year fellowship; salary, medical benefits, and travel/relocation reimbursement

For: will complete their master's, doctoral, or professional degrees within two years

Council of Graduate Schools

Website: <http://www.cgsnet.org/Default.aspx?tabid=163>

For: General list of various fellowships for grad students

AAUW Fellowships & Grants

Website: http://www.aauw.org/learn/fellows_directory/

Due: Typically November – January

Amount: Varies – up to \$20,000

For: Graduate women

Annie's Sustainable Agriculture

Website: http://www.annies.com/sustainable_agriculture_scholarship

Due: TBA, before February
Amount: \$2,000 -- \$10,000
For: Research concerning sustainable, organic agriculture

Clean Energy Grant

Website: <http://www.evergreen.edu/committee/cleanenergy/grant.htm>

Due: TBA

Amount: varies

For: Research/projects concerning renewable energy or energy conservation on campus

Community Sustaining Fund of Thurston County

Website: <http://www.traditionsfairtrade.com/sustFund/sustainingFundHome.html>

Due: Typically in October

Amount: varies

For: Community-oriented projects in Thurston County.
