

## Washington State Department of Transportation

Internship with WSDOT:

**WSDOT is seeking to fill an internship** that runs for four quarters, summer and fall, 2014 and winter and spring 2015. The intern will:

- Work full time, 40 hours per week (32 hours paid, 8 hours instructional) during summer 2014
- Work part time, 25 hours per week (19 hours paid, 6 hours instructional) during fall, winter, and spring quarters

Compensation is \$11.00/hr

Duties:

- Service motion-triggered cameras deployed at bridges and culverts on the state highway system
- Review images and characterize wildlife detections in a master database
- Update the WSDOT wildlife carcass removal database
- Develop information materials related to wildlife and highways
- Analyze wildlife data and summarize in tables and graphs. Write reports.
- Assist other WSDOT biologists including fish moving associated with highway projects

Minimum Qualifications:

- Knowledge of Pacific Northwest wildlife, their ecology, life history, and behavior
- Ability to work outdoors in all weather conditions for up to 5 hours a day
- Ability to walk over rough terrain carrying 50 lbs.
- At least one college level statistics course
- Capable user of computers and Microsoft Office software
- Able to communicate clearly verbally and in writing in English
- Possess a valid Washington State driver's license
- Must be an MES student who has earned credit in the first three core courses and hasn't started their thesis yet.

To Apply:

Submit letter of interest and resume (by mail or email), by March 31, 2014 to:
