Dear Pamela,

Congratulations! It is my pleasure to inform you that your application for financial support through the MES Thesis Research Fund has been approved. You have been awarded **up to \$926** toward research costs for your MES Thesis, tentatively titled: *Leaf Reticulate Venation Pattern in Symphytum Officinale and Ecto-Arbusculat Mycorrhizae*

Per your request, you may use up to \$80 of your award amount for travel reimbursement.

You will need original receipts and a travel authority (if applicable) to be reimbursed for your expenses. Andrea Martin or Trudy Rubick in the MES Program can help you with the paperwork. Please remember that you will not be reimbursed until you produce receipts. If you do not spend the full amount awarded, you forfeit any unspent funds.

If you have any questions, please reach out to me, or to Andrea Martin at martina@evergreen.edu or 360-867-6225.

Sincerely,

Kevin Francis
MES Program Director
