

The background of the slide is a photograph of a sunset over the ocean. The sky is a mix of orange, yellow, and light blue. Numerous birds, likely seagulls, are captured in flight across the sky, their silhouettes and wings clearly visible against the bright background. The ocean below shows gentle waves reflecting the warm colors of the sunset. The overall mood is peaceful and serene.

Master in Teaching Information Workshop

Monday July 28, 3-5pm Sem 2 E 3123
