Q2. Please rate the quality of the course using the following scale:

1	I think there was some disrespect toward our professor from some of the class members. People just having immature attitudes-being upset we weren't let go earlier on Friday, etc. I think this then affected their attitudes thru the weekend. Grow up, it's grad school, people! I thought it was fine we filled all of the hours.	Jul 15, 2013 4:22 PM
2	terrific class!	Jul 9, 2013 9:26 AM
3	I really enjoyed the course, I would suggest breaking up the days more (sitting for 7 hours is difficult).	Jul 9, 2013 9:24 AM

Q4. Should the MPA program offer this course again?

1	First, I think it is safe to say many of us felt this course required more assignments/coursework than a two-credit weekend class realistically should - tone it down. Second, there has been ZERO feedback on any work submitted. I have not received a single email/contact since the class concluded.	Jul 9, 2013 9:38 AM
---	--	---------------------

Q5. OTHER COMMENTS

1	It should be required!! Really great info, very challenging and engaging. Wonderful course! Instructor was also fantastic, though it was definitely a lot of work for 2 credits, at least compared to other electives.	Jul 15, 2013 9:35 AM
2	Content is interesting and useful, but students like to know how they performed.	Jul 9, 2013 9:38 AM
