Q2. Please rate the quality of the course using the following scale:

1	I really enjoyed this class. I was finally able to make practical connections between my learning in core and the real world of doing the public's business.	Dec 12, 2013 9:52 AM
2	Excellent class. Very well designed and presented. However, our written work performed during class was collected by faculty and not returned to us. I would like to have what I wrote in class.	Dec 11, 2013 9:50 PM
3	I don't usually mark the highest score for everything on the survey, but I loved this class. Stephen was very well organized, lined up excellent guest speakers, and challenged us to critically think about making decisions for the public good. He also provided tools about how to consider issues to make sure you have all the information you need to make a decision. I would highly recommend this class for my peers.	Dec 11, 2013 8:46 PM

Q3. Please rate the quality of the course using the following scale:

1	Stephen was punctual, approachable, respectful, interesting and encouraging.	Dec 12, 2013 9:52 AM
2	The inclusion of the two guest speakers was perfect. The lectures and PowerPoint presentations by Stephen Buxbaum were top notch.	Dec 11, 2013 9:50 PM

Q4. Should the MPA program offer this course again?

1	I would suggest 5 minute stretch breaks every hour for a 3-day intensive 20 hour course.	Dec 11, 2013 9:50 PM
---	--	----------------------

Q5. OTHER COMMENTS

1	I loved the way Stephen Buxbaum set thoughtfully set up the classroom with an angled "welcome table" inside the door, a L configuration desk up front for his PowerPoint computer and all his stuff, and the students in a "horseshoe" arrangement around the perimeter.	Dec 11, 2013 9:50 PM
2	I don't usually mark the highest score for everything on the survey, but I loved this class. Stephen was very well organized, lined up excellent guest speakers, and challenged us to critically think about making decisions for the public good. The reading assigned seemed to be well planned and they were interesting. He also provided tools about how to consider issues to make sure you have all the information you need to make a decision. I would highly recommend this class for my peers.	Dec 11, 2013 8:46 PM
