1	Even though the topic was not new to me, I still managed to learn more about myself and a lot more about my classmates. I have seen some of my classmates transform into more aware and confident people because of this class.	12/14/2014 12:34 PM
2	I really enjoyed the the class.	12/11/2014 1:43 PM
3	Have not yet gotten feedback on my final paper, turned in about 1 month ago...	12/11/2014 1:28 PM
4	Good information presented. I think it could have been a bit more expert info. It felt as though some of the info presented was opinion rather than fact based.	12/11/2014 12:55 PM
5	By far the best two credit elective I have taken. Content was relevant and useful. The topic allowed me to grow personally and professionally. As a result of this course I am a better communicator and understand my role as a leader. I highly recommend this course to ANY MPA student.	12/11/2014 12:05 PM

1	This class should be our orientation. It would help our cohort get to know each other and communicate better.	12/14/2014 12:34 PM
2	He kept the class engaging and fun.	12/11/2014 1:43 PM
3	Fascinating subject, well presented.	12/11/2014 1:28 PM
4	Instructor was great. I just feel as though the class wasn't quite MPA level. It felt more like an undergrad class. There was a lot of information given but it felt more like opinions rather than proven statistics, scholarly dissertations or proven psychological facts. Maybe I was just missing the lack of referencing materials but that's how I felt. I did however enjoy the class.	12/11/2014 12:55 PM
5	Course engaging. Instructor provided a rich and challenging learning environment in an inclusive and encouraging manner.	12/11/2014 12:05 PM

1	I feel this should be a longer 4 credit course. Too much info for short class. I would have liked it to be twice as long, with more reading and more assignments.	1/8/2015 9:28 AM
2	possibly a 4 credit class because we went through a lot of material that could have been covered in more detail if we had two weekends. I would include in the syllabus to bring your laptop/tablet if you have one because a lot of research was done during the class. That would have prepared me before the first day.	12/17/2014 7:36 PM
3	I felt I was limited by the weekend offering. Having this be a 4 credit course would have allowed for more time in each area studied. My experience was positive, but I feel we shaould have spent more time delving deeper into leadership, communication and managing difficult situations. Simply put: The weekend was not long enough.	12/11/2014 12:05 PM
