1	This was a well organized and presented program. What I enjoyed the most was how the classes had a business flavor to them. The instructor did a great job of presenting the information then giving us plenty of time and opportunities to use it in a practical application. I would and am comfortable and confident to give this class a 5 out of 5 star rating.	12/11/2014 2:37 PM

1	Has the idea of creating an MBA program ever been discussed? I really felt this class had a dual purpose that would serve well in the MPA & in a MBA program.	12/11/2014 2:37 PM
