The Master of Public Administration Program makes available tuition wavers, scholarships, fellowships, work-study and other aid to persons admitted to the MPA program. This packet describes financial opportunities available for the 2010-11 academic year. The MPA program makes a significant effort to award aid to as many students as possible, contingent upon the availability of funds. These awards are provided **in addition** to other “need-based” financial aid offered through The Evergreen State College Financial Aid Office (360-867-6205).

## Instructions for the MPA Financial Assistance Awards Application Process

- ❑ Complete and submit the 2010-11 Free Application for Federal Student Aid (FAFSA) as soon as possible after January 1, 2010. The **priority deadline is March 15, 2010**. Follow the instructions listed on the “Financial Aid for Graduate Students” page of the Evergreen Financial Aid website: [http://www.evergreen.edu/financialaid/graduate\\_finaid.htm](http://www.evergreen.edu/financialaid/graduate_finaid.htm) (in the link there is an underscore “\_” between “graduate” and “finaid”) Note that Evergreen’s Title IV school code is 008155.
- ❑ Complete the Evergreen Financial Aid Data Sheet and submit it to Evergreen’s Financial Aid Office. As above, follow the instructions listed on the “Financial Aid for Graduate Students” page of the Evergreen Financial Aid website: [http://www.evergreen.edu/financialaid/graduate\\_finaid.htm](http://www.evergreen.edu/financialaid/graduate_finaid.htm) (in the link there is an underscore “\_” between “graduate” and “finaid”)

Note that “financial need” is determined by Evergreen's Financial Aid Office after receipt and processing of the FAFSA. If you are applying for one or more financial assistance awards for which financial need is a consideration (see award descriptions, under “Criteria”), you **must** complete the FAFSA, and **your application cannot be considered in the MPA Financial Aid award process until your FAFSA is on file**. Since funds are limited, we strongly suggest that you submit your FAFSA to the processor and the Financial Aid Data Sheet to the Office of Financial Aid as early as possible after January 1, 2010.

As stated above, **Evergreen's priority FAFSA deadline is March 15, 2010**. This means that to have your file reviewed in the first awarding cycle, the Financial Aid Office must receive your complete and valid FAFSA information before March 15th. It does **not** mean that you will be unable to receive financial aid next year if you do not meet the deadline, but in order to receive the best possible award, and to know at the earliest possible date (for planning purposes) what your offer will be, make sure that your FAFSA information gets to us by March 15th. Note that using estimated 2009 tax information is acceptable.

- ❑ Complete and submit the one page “MPA Financial Assistance Awards Application Form” (MPA FAAAF) **and** all materials required for the specific awards for which you are applying: a letter of intent addressing the criteria of the awards, letters of recommendation, etc. See the individual award descriptions on the following pages for details. **Submitting the MPA FAAAF plus just one letter of intent is sufficient to apply for most awards** – see award descriptions for exceptions. ***A printed copy of the MPA FAAAF plus all required materials to the MPA Program must be received by May 3, 2010*** (see complete address on page 1 and on MPA FAAAF). *Emailed and faxed materials are **not** accepted.*
- ❑ If you have not already done so, **apply for admission** to the MPA program. You will not be awarded aid until you are offered admission to the college.

Preference for MPA financial assistance awards will be given to applicants who will be: (1) enrolled full-time (at least 8 Evergreen graduate credits per quarter) **and** (2) enrolled in 1<sup>st</sup> or 2<sup>nd</sup> year MPA core courses.

**May 3, 2010 is the deadline for all application materials to be on file in Evergreen’s Financial Aid Office and to submit “hard” copies of the MPA FAAAF and all required**

**materials.** Awards applications may be submitted after this date, but available funds may be exhausted or very limited. Note that tuition and fees for 2010-2011 are subject to change by the Washington State Legislature. Notification of awards begins **after June 10, 2010.**
