	<p>Transportation Asset Management</p> <p>Facilitators: Richard Rolland, Director NW TTAP Happy Longfellow, Transportation Project Manager, Parametrix</p> <p>Tribal Transportation Agencies are faced with many challenges as they manage their highway and road systems. Transportation Asset Management (TAM) programs can help document asset conditions, to allocate funding, and to determine the most effective use of available funds. TAM programs provide the processes and tools necessary to help transportation leaders make informed</p>

	project decisions that can improve overall operational efficiency of the organization.
	<p align="center">How Art Strengthens Communities</p> <p>Facilitated by Gloria Lee and Frank Dunn, Native Arts and Culture Foundation</p> <p>The Native Arts and Culture Foundation works to promote the revitalization and perpetuation of Native arts and culture ensuring a path that benefits present and future generations. We do this by granting, convening and advocating for the field of Native arts and culture.</p>
