

THE PATH TO SOVEREIGNTY

Graduate Study in Tribal Governance

A Unique Master of Public Administration Degree

The Tribal Concentration reflects the **DIVERSITY** of issues addressed by Tribal Governments: sovereignty, self-determination, **EDUCATION** and economic development, among others.

Participatory **LEARNING** experiences and intensive community-based work

Full- and part-time **OPTIONS** – work at your own pace

Your work evaluated through written **NARRATIVES**, not grades

The **PROGRAM** is designed for working adults: core and concentration courses each meet for two full weekends during the quarter.
