

THE COMPUTER CENTER

www.evergreen.edu/computercenter

LOCATION During the 2004–2005 school year the Computer Center will be located at Library 4300 on the 4th floor while its ordinary location on the second floor of the Library Building is remodeled.

GENERAL ACCESS The Computer Center is the College's general access computer facility. We have no requirements about which program you're in or what you're studying, whether you're full- or part-time, day or night, graduate or undergraduate. There are no proficiency tests for the use of our equipment. Use is on a "first come, first served" basis, with a few exceptions. There are no additional fees for using the Computer Center.

HOURS Regular hours: Mon–Thu 7 A.M. – 2 A.M.; Fri 7 A.M. – 10 P.M.; Sat 9 A.M. – 10 P.M.; Sun 12 Noon – 2 A.M. (When school is in session.) See our website for holiday and break hours.

ASSISTANCE Student Consultants ("Green Vests") are always available. Look for the green vests.

ACCOUNTS/EMAIL Every student receives an Evergreen network account. Go to <http://my.evergreen.edu> to sign-up for email and other network resources, such as personal web pages. Web email can be accessed at www.evergreen.edu/webmail.

WORKSHOPS The Computer Center offers entry-level to intermediate classes each quarter in many topics (e.g. Creating a Web Page, Using Excel, Introduction to digital video editing). Sign-up at our website.

ABOUT US Academic Computing enhances teaching and learning by providing computer resources and services and collaborating with faculty and students on academic needs.

WEBSITE

www.evergreen.edu/computercenter

COMPUTING The Computer Center is composed of four areas:

General Computing Classroom (GCC)

- 30 Windows/Pentium systems, plus two scanners.
- Software includes Microsoft Office (Word, Excel, Access & PowerPoint), web browsers, Dreamweaver, SPSS, Photoshop, and various curricular software which may change with program needs.

Macintosh Classroom (MCC)

- 25 Macintosh G4 iMac systems, plus several scanners.
- Software includes Microsoft Office (Word, Excel, & PowerPoint), web browsers, Photoshop, FinalCutPro, Flash, Dreamweaver, iMovie, and more.

Advanced Computing Classroom (ACC)

- 25 systems ("dual boot" – means they can run Windows or Linux). Variety of programming languages and environments.
- Oriented towards Computer Science
- Restricted Access (for computer science students).

Cluster Area

- Includes printers (networked to all our computers)
- 24 Windows & Macintosh systems.
- Windows systems are same as GCC systems.
- Macs are G4s.
- Heavily Used When Classes in Session.
- Includes laptop commons and stand-up e-mail systems.

Note: All computers in the Computer Center have electronic versions of Evergreen evaluation forms. Scheduled program use does take priority over individual use of the Computer Center. The current classroom schedules are available via <http://www.evergreen.edu/calendars>, on our website, or by calling 360.867.6231 (press 2).
