Dear Alaska Certification Office:

I am writing to support the certification of our Master in Teaching Program alumna Ms. Sarah E. Bracken, DOB 11/25/1980, SS # xxxxx4032, in your state. Sarah contacted me about the need to officially verify her test scores used for her initial certification done with our MiT program for the state of Washington and I am happy to do so. Evergreen also received her ELL test score when she added that endorsement.

Sarah successfully completed Evergreen's Master in Teaching degree in June 2007 and was recommended for Washington certification. As part of her application process and admission to MiT in winter 2005 for fall 2005, she had to complete both basic skills and endorsement content tests. Her original test scores were sent to Evergreen's MiT program, and as certification officer I hold these in her certification file in our archive storage. I can verify Sarah took and passed:
