Re: Trinity Laurel Sokol

To Whom It May Concern:

Ms. Trinity Laurel Sokol has been a student in The Evergreen State College's Master in Teaching Program since fall 2011. She is currently completing her fifth quarter in the program as of March 22, 2013, and she has consistently been a strong student. She completed her first quarter of student teaching fall 2012, including the new edTPA, and will start her second quarter of student teaching March 25, 2013, concluding in early June. She is anticipated to graduate (96 quarter credits total) and receive her MiT degree June 14, 2013. She is anticipated to be recommended for the Washington State Residency Teacher certificate with an elementary education endorsement without reservations. If she successfully completes her spring student teaching, she will receive her educational permit for June 14, 2013-November 27, 2013 and I will submit her certification paperwork to OSPI June 14th. We anticipate her certificate and assigned number to be back by the end of June.

Please feel free to contact me if you have any questions.
